McCRACKEN COUNTY PUBLIC SCHOOLS

Student Code of Conduct

Purpose

The purpose of this handbook is to provide a concise outline of the rights and responsibilities of the students in the McCracken County Schools and of those people, including parents/guardians and school personnel, directly involved in the educational process.

Policy Statement

The McCracken County Board of Education's primary concern is that students who wish to learn can do so in an environment conducive to learning. In an attempt to promote this environment, a code of conduct has been developed.

This district **Student Code of Conduct** provides for consistent treatment for all students and fairness as required by constitutional due process. It creates an atmosphere of open communication with clearly understood rules, thus encouraging behavior that will enable the students to develop to their fullest potential. THE CODE OF CONDUCT IS APPLICABLE TO ANY ACTIVITIES ON SCHOOL PROPERTY, AT SCHOOL SPONSORED OR RELATED ACTIVITIES WHETHER ON OR OFF SCHOOL PROPERTY, AND ON SCHOOL PROVIDED TRANSPORTATION, WHETHER WITHIN OR OUTSIDE REGULAR SCHOOL HOURS.

It is expected that sound, fair, and equitable judgement should be considered by students, teachers, principals, parents/legal guardians, and others based upon available and known facts in applying the principles of the **Student Code of Conduct**. THIS POLICY APPLIES TO ALL STUDENTS ENROLLED IN THE McCRACKEN COUNTY SCHOOL SYSTEM.

This **Student Code of Conduct** is the result of expressed concerns on the part of the school as well as the community. It provides for an annual review by the school, community, and the McCracken County Board of Education to ensure an effective document which meets the needs of the total educational community.

SUPERVISION OF PUPIL'S CONDUCT

Each teacher and administrator in the public schools shall, in accordance with the rules, regulations and bylaws of the board of education made and adopted for the conduct of pupils, hold pupils strictly accountable for their conduct on school premises, on the way to and from school, and on school-sponsored trips and activities, including athletic trips.

Students will park in designated student parking areas. Students who are improperly parked may be issued a warning. Multiple violations will be dealt with under the Student Code of Conduct, Failure to Follow Staff Instructions and/or a parking citation.

Driving on school grounds is a privilege that may be revoked if conditions are violated. All moving motor vehicles on school property are subject to all Commonwealth of Kentucky traffic laws and students and visitors may be issued moving citations for violations.

DISCIPLINARY PROCEDURES

This section of the **Student Code of Conduct** contains the recommended procedures to use in applying disciplinary action to specific conduct offenses. There are six (6) options that may be used ranging from the least severe (Teacher Imposed) to the most severe (Expulsion Recommendation). The level of severity is dependent upon variables such as the circumstance of the offense, the type of offense, the degree of seriousness, and the frequency of the offense.

Due to these variables, a number of the disciplinary response options have been developed for each level of misconduct. These disciplinary response options will allow the teacher, principal or his/her designee to review and recommend the most appropriate action for the student and thus assure that the particular procedure will best fit the problem.

Repeated incident of misbehavior can be referred to the next level of misconduct.

Students may report code violations to any district employee.

DISCIPLINARY OPTIONS

A. CLASSROOM DISCIPLINE: Teacher Imposed Option

Any disciplinary action established by the classroom teacher, principal and School Based Decision Making (SBDM) Council. Teacher Imposed Option would be used for minor misbehavior on the part of the student that impedes orderly classroom procedures or interferes with the orderly operation of the school. These misbehaviors can usually be handled by an individual staff member, but sometimes require the intervention of other school support personnel.

Options MAY Include (not necessarily in order)

- a. Verbal Warning
- b. Notification to parents/legal guardians by phone, letter, or message
- c. Classroom assertive discipline plan
- d. Loss of privileges
- e. Classroom probation/isolation
- f. Assignment of written punishment
- g. Refer student to principal

NOTE: There may be situations in which **ANY** misconduct warrants suspension or a recommendation for expulsion, depending upon the circumstances surrounding the violation and/or the student's past behavior record.

B. IN-SCHOOL DISCIPLINE: Principal Imposed Option

The Principal Imposed Option would be used for misbehavior in which the frequency or seriousness tends to disrupt the learning climate of the classroom or school. These infractions often are continuous even after initial intervention. They require the intervention of administrative personnel because initial disciplinary actions failed to correct the behavior, or because the infraction is more serious.

Options (not necessarily in order)

- a. ANY option listed in "A" above
- b. Petition/warrant signed (the principal or designee may sign a petition/warrant when a Kentucky Revised Statute is violated)
- c. School Detention
- d. Probation/Written Contract
- e. Restitution
- f. Bus Suspension

NOTE: There may be situations in which **ANY** misconduct warrants suspension or a recommendation for expulsion, depending upon the circumstances surrounding the violation and/or the student's past behavior record.

C. ALTERNATIVE SCHOOL

The McCracken County Alternative School is an in-school alternative to suspension program for students assigned by a principal or the McCracken County Board of Education. **These assignments to Alternative School shall not be less than twenty (20) days for middle/high school**

students, and up to ten (10) days for elementary students. However, the ARC may determine that placement of a middle/high school special needs student will be less than twenty (20) days. Principals may assign students to Alternative School for more than twenty (20) days only after consultation with the Superintendent/designee.

Students may be required to remain in Alternative School longer than 20 days due to misbehavior, poor attendance, and/or lack of academic progress. All Special Education Regulations will continue to be followed.

Students exhibiting delinquent and pre-delinquent behavior patterns need a highly structured environment in which they can re-evaluate their attitudes, experience growth in self-awareness, and realize the inevitable result of continued improper behavior. The McCracken County Alternative School provides such an environment.

The goals and objectives of the Alternative School are to reduce disruptive behavior, reduce suspensions, reduce drop-out rate, improve the self-esteem of the student, and promote a more positive attitude toward school.

NOTE: There may be situations in which **ANY** misconduct warrants suspension or a recommendation for expulsion, depending upon the circumstances surrounding the violation and/or the student's past behavior record.

D. SHORT TERM SUSPENSION (1-5 days)

The student is suspended (out of school) for no more than five (5) school days. The student will be readmitted to school only after a parent/student/school conference. The superintendent or his/her designee, the director of pupil personnel, and other appropriate persons shall be notified in writing.

NOTE: There may be situations in which **ANY** misconduct warrants suspension or a recommendation for expulsion, depending upon the circumstances surrounding the violation and/or the student's past behavior record.

E. LONG TERM SUSPENSION (6-10 days)

The student is suspended (out of school) for six (6) to ten (10) school days. The student will be readmitted to school only after a parent/school/student conference is held. The superintendent or his/her designee, director of pupil personnel, and other appropriate personnel shall be notified in writing.

NOTE: There may be situations in which **ANY** misconduct warrants suspension or a recommendation for expulsion, depending upon the circumstances surrounding the violation and/or the student's past behavior record.

F. EXPULSION RECOMMENDATION

Misconduct warranting expulsion includes acts that result in violence or which pose a direct threat to the safety or health of self, other persons, or property in the school.

This would include a student who will not conform to the Code of Conduct.

With the exception of the Alternative School, the expelled student is restricted from coming on any property belonging to the McCracken County School System, and is also restricted from attending any extracurricular activity in

any McCracken County School during the period of the expulsion.

These acts may be criminal or so serious that they may require administrative actions that result in the immediate removal of the student from school, the intervention of law enforcement authorities, and action by the McCracken County Board of Education.

School district personnel shall confer with the student/parties concerned as soon as practical. The parents or legal guardians shall be contacted immediately by phone, letter or message.

Disciplinary Options Include:

- a. After consultation with the Superintendent/designee, the student will be suspended, placed in Alternative School, or placed in In-School Detention until a formal expulsion hearing can be arranged. A recommendation for expulsion will be given to the superintendent for presentation to the board of education. The hearing shall be held as soon as practical after the date of the suspension. The superintendent or his/her designee, the director of pupil personnel, and other appropriate personnel shall be notified by letter.
- b. The principal or his/her designee may refer to appropriate law enforcement authorities. When a Kentucky Revised Statute is violated, the principal or his/her designee may sign a petition/warrant.
- c. Students will be expelled to McCracken County Open Campus School to receive educational services. If the board has made a determination, supported by clear and convincing evidence, that the expelled student posed a threat to the safety of other students or school staff, the expelled student will **NOT** receive educational services at Alternative.

NOTE: There may be situations in which **ANY** misconduct warrants suspension or a recommendation for expulsion, depending upon the circumstances surrounding the violation and/or the student's past behavior record.

DUE PROCESS

Due process includes those rights which accrue to a student accused of violating school regulations and which may be brought to his or her defense at a disciplinary conference or hearing pending possible suspension or expulsion from school.

Pupil Suspension and Expulsion

It is necessary to maintain the pupil's contact with a continuous program of education, either in the classroom setting or in a specifically arranged program under the direction of the administration.

The pupil's needs will be considered as well as the requirements of the institution. The underlying causes of a pupil's behavior should be considered, along with his or her actions and attitudes.

All pupils admitted to the McCracken County Schools shall comply with the lawful regulations for the government of the schools.

The superintendent, principal, assistant principal, or head teacher of any school may suspend a pupil for up to ten (10) school days for violations and shall report such action in writing immediately to the superintendent and to the parent/legal guardian or other person having legal custody or control of the pupil.

A principal may assign a student to the Alternative School to continue his/her education under more restrictive conditions for a period of time to be determined by the director of the Alternative School, based on progress and behavior of the student.

A pupil shall not be suspended from the McCracken County Schools until after at least the following due process procedures have been provided.

- a. The pupil has been given oral or written notice of the charge or charges against him or her which constitute cause for suspension.
- b. The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them.
- c. The pupil has been given an opportunity to present his or her own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the McCracken County Schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension. A conference should be held between the official who meted out the suspension and the pupil and his or her parents, or legal guardians, prior to readmission.

If a high school student is suspended from school, he or she is automatically suspended from all other McCracken County Schools including WKCTC and Paducah Tilghman Area Vocational School.

If a student is suspended from a McCracken County School, that student is automatically barred from all extracurricular activities in the county schools.

The board of education may expel any pupil for misconduct, but such actions

shall not be taken until the parent/guardian, or other person having legal custody or control of the pupil has had an opportunity to have a hearing before the board. The decision of the board shall be final.

DUE PROCESS PROCEDURES FOR SPECIAL EDUCATION STUDENTS REGARDING SUSPENSION AND EXPULSION

Suspension

Special education students who create a disruption or dangerous situation for themselves or others may be temporarily **suspended** from school without the special education change of placement procedure as long as the following due process procedures are followed:

1. The student has been given oral or written notice of the charge or charges against him or her which constitute cause for suspension.
2. The student has been given an explanation of the evidence regarding the charge or charges if the student denies said charge or charges.
3. The student has been given an opportunity to present his or her own version of the facts related to the charge or charges.

These due process procedures are for suspensions and are the same procedures for **all** students.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the aforementioned due process procedures shall follow the suspension as soon as possible, but no later than three (3) school days after suspension. Attention to this issue should be made by the Admission & Release Committee as soon as reasonably possible.

Suspension of exceptional children as defined in KRS 157.200, for more than a total of ten (10) days during a school year shall constitute a change of educational placement and education service and IEP services shall continue. The Principal shall recommend to the ARC a change of placement to the Alternative School.

If the admissions and release committee determines that an exceptional child's behavior is a manifestation of his disability, the child shall not be suspended beyond ten (10) days or expelled.

A district may seek temporary injunctive relief through the courts if the parent and the other members of the Admissions and Release Committee cannot agree upon a placement and the current placement will likely result in injury to the student or others.

Expulsion

The Admissions and Release Committee should convene prior to the expulsion procedures of any special education student. The ARC should include the Director of Special Education, the parents/guardians of the student, the principal or designee, a special education teacher, and possible support personnel.

The ARC must make the following determinations:

1. Are the student's IEP and program placement appropriate and being fully implemented?
2. Is the student's handicapping condition the basis of the discipline problem?

If the ARC concludes that a. the IEP is appropriate and fully implemented, b. the placement is appropriate and c. the handicapping condition is not the basis of the student's inappropriate behavior, then the ARC should give these written determinations to the superintendent and the board of education. The ARC is limited solely to answering these determinations and is not to address the expulsion issue.

A student **may** not be expelled if the ARC determines that the handicapping condition is the basis of the discipline problem and the suspension must be lifted immediately. The ARC would need to consider changes in the student's program which might result in more appropriate behavior.

Even if the student is expelled through appropriate procedures, there must **not** be a complete cessation of educational services. Alternative services **must** be provided.

ATTENDANCE

The progress of a student at school depends greatly on the punctuality and regularity of attendance. There is a direct relationship between attendance and achievement; a day of school missed can never be entirely made up. We firmly believe that attendance is a student/parent/legal guardian responsibility. The intent of this attendance procedure for the McCracken County Schools is to provide a structure within which students can gain maximum benefit from the instructional program.

All students are expected to attend class every day that school is in session. When a student must be absent from school, **it is the responsibility of the parent/legal guardian to call the school by 10:00 a.m. to inform the principal/designee of the reason for the absence.** The parent/legal guardian may also send a written excuse with the student when he or she returns to school.

Kentucky Compulsory School Law

1. Each parent, legal guardian, or other person residing in the state and having in custody or charge of any child who has entered the Primary school program (K-3) or any child between the ages of 6 and 18 shall send the child to a regular public day school for the full term that the public school of the district in which the child resides is in session, or to the public school that the board of education of the district makes provision for the child to attend. A child's age is between 6 and 18 when the child has reached his sixth birthday and not passed his eighteenth birthday. (KRS159.010).
2. A student that has reached their eighteenth (18) birthday who wishes to terminate his public or non-public education prior to graduating from high school

shall do so only after a conference with the principal or his designee. Every child that is actually a resident in this state is subject to the laws relating to compulsory attendance, and neither he nor the person in charge of him shall be excused from the operation of those laws or the penalties under them on the ground that the child's residence is seasonable or that his parent is a resident of another state.

Any McCracken County Public School student who is absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days is considered a truant. Written notification will be sent to the parent/guardian from the school.

Truancy statutes state that students who have been reported as truant two or more times is a habitual truant.

- 8. Truancy
Any student who has entered the primary program or any child who has attained the age of six (6) years, but has not reached his or her twenty-first (21) birthday who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is a truant.

Any student who has been reported as a truant two (2) or more times is a habitual truant. KRS 159.990 states that persons responsible for noncompliance of the statute **shall be fined one hundred dollars (\$100) for the first offense, and two hundred fifty dollars (\$250) for the second offense.**

- a. Attendance procedure: The sixth day or as soon as practicable after the truancy, the parent/legal guardian of any student under sixteen years of age who is absent without sufficient documentation will be referred to the director of pupil personnel for due process actions.
- b. Parents responsible for student's violations: Every parent, legal guardian or custodian of a student residing in any school district in this state is legally responsible for any violation of Law or Board Policy by the student. Before any proceedings are instituted against the parent, legal guardian, or custodian for violation of Law or Board Policy, a written notice of the violation shall be served on the person by the director of pupil personnel, and one (1) day shall be given for the termination of the violation. After such notice, if the violation is continued or if the provisions of Law or Board Policy are again violated during the school term by the student, no further notice shall be necessary and the parent/legal guardian shall be accountable. A notice by certified mail, return receipt requested, or by personal service by the director of pupil personnel shall be a legal notice.
- c. Students over sixteen: Any student over sixteen (16) years of age who is absent six (6) days from school without sufficient documentation will be subject to suspension and referred to the director of pupil personnel for due process actions by the superintendent's office which may result in a recommendation for expulsion.
- d. Students with medical appointments during the school day will be given an unexcused absence or unexcused tardy until a statement is received from the doctor. A student may be given an excused absence a total of five (5) **events** per year due to illness without a doctor's statement. Other than these five (5) **events**, all absences due to illness will require a doctor's statement for the absence to be counted as excused. A student may be given an excused tardy a total of five (5) times per year without a doctor's statement. Other than these five (5) excused tardies, all tardies will require a doctor's statement for the tardy to be counted as excused. Medical statements for tardies and absences must be received within 24 hours upon a student's return to school or withdrawal from school to be counted as excused. Excuses brought to school after the 24 hour period will not be considered.

SECURING HOMEWORK ASSIGNMENTS WHEN ABSENT

When a student is absent one day, parents may call the school office before 10:00 a.m. and request homework to be given.

This homework can be picked up between 2:30 and 3:30 p.m. in the office, or by calling the homework hotline, if available.

IN-SCHOOL DETENTION

Students have the responsibility for conducting themselves appropriately while under the authority of school officials. When misconduct does occur, school officials have the authority/responsibility to punish the student.

The In-School Detention Program is designed to deal with students who have misbehaved or are guilty of a minor infraction of the **Code of Conduct**. This is an alternative-to-suspension program that allows students to atone for their misconduct, reflect upon the actions that got them into trouble, and not get behind in their studies.

Since this program is offered for the benefit of students, certain minimal standards of decorum and behavior are expected. Students participating in In-School Detention will exhibit good behaviors, good attitudes, and remain busy throughout the day. The proctor may deduct points for misbehavior or inactivity; persistent problems may result in the suspension of the student.

DRESS CODE

Proper appearance has been shown to have a high relationship to behavior. Students and parents must accept the responsibility concerning this matter. Students will dress according to weather, health, safety, and school activities. Dress and hair styles that are an extreme variation of those generally prevailing in the community and/or those that tend to disrupt the academic process and orderly operation of the school will not be acceptable.

1. See through mesh clothing, and tube tops are not permitted and proper underclothing must be worn but not be visible.
2. Hats, caps, or other head coverings are not to be visible during the school day or on the school bus except as authorized by the school administration.
3. Students are to wear footwear at all times, and footwear will be appropriate for the activity.
4. Blouses and shirts must meet skirts, slacks, or pants. The midriff must not show.
5. Clothing and accessories (jewelry, belt buckles, necklaces, etc.) with obscene, crude or rude pictures, or sayings pertaining to drugs, alcohol, tobacco, extreme violence, sex, or gangs are not permitted.
6. Attire or piercings deemed inappropriate by the principal or his/her designee is not permitted.
7. Court assigned electronic monitoring devices are to be covered by long pants at all times.
8. Additional dress code requirements may be determined by your school's council.

SEARCH AND SEIZURE

Lockers are property of the school and are subject to the board of education's regulation and supervision. Locker inspection or searches are not carried out as a harassment technique, but as a duty when the health, safety, or welfare of students is involved. K-9 units and/or law enforcement will be used to search lockers, parking lots, buildings, and grounds. In a search and seizure situation the following procedures shall be followed:

1. A student's person will be searched when there is reasonable suspicion that the student is concealing evidence of an illegal act or school violation.
2. Students are subject to search by metal detectors, either stationary or hand-held in the following instances: To search an individual when there is reasonable cause to believe that students possess weapons at school and when; Weapons have been found at school; Violence involving weapons has occurred at school; Conditions exist in the community that may result in students bringing weapons to school; To search all students entering the premises; To search students on a random basis..
3. Items which may be used to disrupt or interfere with the educational process may be temporarily removed from the student's possession by a staff member. These items may be returned to the student by that staff member or through the office.
4. A general inspection of school properties such as lockers, desks, etc., may be conducted on a regular basis. During these inspections, items which are school property may be collected. (Example: overdue library books) Any package (such as, but not limited to backpacks, gym bags, band instrument cases, or any package capable of concealing a weapon) may not be brought on school property unless both the student and parent consent in writing to the search of the package at any time by any school personnel.
5. All items which have been seized will be turned over to proper authorities or returned to the true owner, depending on the situation. The student will have the opportunity to be present when a search of personal possessions is to be conducted unless: (1) the student is absent from school, or (2) school authorities decide that the student's presence could endanger the student's health and safety, or (3) other good cause.

The United States Supreme Court, on January 15, 1985, ruled that a school administrator may search a student if he/she has reasonable grounds to believe that the search will turn up evidence of violation of the law or rules of the school and the nature and scope of the search is related to its object, to the age and sex of the student, and to the severity of the infraction.

CLOSED CAMPUS

All students, regardless of age, are to be confined to the school grounds during the hours that school is in session, including the lunch period, unless students have written permission signed by the parent and approved by the principal. There will be no unauthorized leaving of the school building or campus. Prior approval must be obtained by the school principal or his/her designee. Students assisting other students' and visitors' unauthorized entry into the building may be subject to disciplinary action.

SCHOOL VISITORS

The McCracken County Board of Education encourages citizens to visit the schools as often as practicable. Each visitor shall report to the school office to get authorization for his/her presence in the building, sign-in and receive a visitor's tag, so as not to disrupt school programs. Students are not allowed to bring a friend/guest without prior approval of the principal or his/her designee.
