

Cancellation

If weather conditions are such that it is necessary to change schedules or cancel school for safety reasons, the help of every student and parent is needed. Please listen to the local news media for announcements. The radio and television stations are kept informed of any changes. Announcements will be made as early as possible. Please do not call the stations or school office.

Check the [district website](#) for designated make-up weather days for the
2010-2011
school year.

The last day of school is contingent upon completion of 175 days of instruction.
