

McCracken County Schools continue to work closely with the Purchase District Health Department to monitor McCracken County's COVID-19 incident rate. At this time, McCracken County remains in the "red" with an incident rate of 76.2. All McCracken County intermediate and elementary schools will continue virtual learning the week of December 14-18. Christmas break will be December 21- January 1. An update on returning to in-person instruction or continuing with virtual learning will be announced on Thursday, December 31. Under the executive order from Governor Beshear, our middle and high schools will continue virtual learning until January 5.

Mark your calendars, you won't want to miss the holiday meal that will be delivered on Thursday, December 17 to all McCracken County Schools students. Remember to put a container out for meals to be placed in.
