

McCracken County Schools continue to work closely with the Purchase District Health Department to monitor McCracken County's COVID-19 incident rate. At this time, McCracken County remains in the "red" with an incident rate of 85.2. All McCracken County intermediate and elementary schools will continue virtual learning the week of December 7-11. An update will be announced on Thursday, December 10 for the following week. Under the executive order from Governor Beshear, our middle and high schools will continue virtual learning until January 5.
